Transcript No. RR-163

Dear Docket Control:

Please replace Page 2 in the reporter's transcript of proceedings of the evidentiary hearing, taken on November 16, 2011, with the enclosed corrected Page 2.

ALJ Stern recently brought to our attention the fact that the Index to Examinations was incorrect. We have corrected the names of the witnesses only. Chris Watson did not testify. Robert Travis and Brian Lehman testified that day. The text of the transcript was correct.

We apologize for the inconvenience this caused.

Very truly yours,

Marta T. Hetzer
